The Building Exploratory

SPRING 2010

Dear Friend,

Following on from last year's autumn programme I am very pleased to invite you to join the Building Explorers this spring.

The Building Explorers were set up following the success of our Senior Building Exploratory Explorers (Senior Bees) a group who meet to learn about and explore the buildings and spaces that surround us. Due to the popularity of the Senior Bees, we have set up the Building Explorers with the aim of offering similar opportunities to more people. Being part of this new group will offer you a chance to meet new people, learn about the area you live in, share your views and memories, try something unique and develop new skills.

For those of you who joined us last year I look forward to seeing you again soon. If you have not been before, please feel free to join us for any of the sessions listed.

Please do not hesitate to contact me if you have any questions on 020 7729 2011 or karen@buildingexploratory.org.uk. I work part-time and am in the office on Wednesdays, Thursdays and Fridays.

Very best wishes,

Karen Elmes
Lifelong Learning Officer

All sessions, except the tour on the 26 March will take place at our premises at 8 Orsman Road. We are located on the second floor of an office building with lift access.

All the activities are free and run from 10.30am – 1.00pm.
Drop-in, everyone is welcome.
